

**SCART to PAL
Converter ID# 045**

Operation Manual

Introduction

This unit will convert from a scart input to a SVHS or composite output. It is ideal for digital satellite receivers or DVD players that do not have a suitable S-Video output to feed a video projector or picture signal to a surround sound system.

Features

- Converts scart RGB signal from a satellite receiver or other video sources to SVHS or Composite video for recording or further connecting to TV.
- It performs the functions of a converter plus video stabilizer.

Operating Functions and Controls Front Panel

1. Power ON/OFF indicator- This will illuminate when the power has been turned on.

Rear Panel

1. DC 7.5V Center Negative: This is where you connect your power supply.
2. Video output- This is the video output port. An RCA connector is used for composite video to connect the port to the output device.
3. S-Video output- This is the S-Video output port. An S-Video jack for Y/C output is used to connect the port to the output device.
4. Audio output pair (L + R)/2 sets- Two sets of audio output ports.
5. Scart RGB input- This is the input port. Connect the input port to your Scart output device (sky satellite receiver or other video sources) using your input Scart connector.

Connection and Installation

The AC adaptor power unit should not be plugged into a wall outlet until all connections are complete.

- Using your connector cable connect the RGB input port (Number 5 on the rear panel) to the scart output such as a sky satellite receiver or another type of video source.
- Using your connector cable connect the output port (Number 2/3/4 on the rear panel) to the output device (TV or VCR).

Once all connections are complete please connect the power supply provided to the power socket

Specifications

Input system	PAL
Output system	PAL
Connection terminals	Scart input: 1 Video output: 1 S-Video output: 1 Audio output (R+L): 2
AC adaptor	Input: 230V/50 Hz Output: DC 7.5 V 500mA Center Negative
Dimensions	236 (W) x 130 (D) x 45 (H)
Weight	0.5 Kg
Accessory	Video cable, AC adaptor
